4. Mission and Vision Alignment

Mission

At Sawyer STREAM Academy, our mission is to nurture intellect, integrity, and innovation through a project-based curriculum that connects academic learning to real-world purpose.

Vision

Empowering students to become creative thinkers, problem solvers, and compassionate leaders.

1. How does the mission relate to the student's educational goals?

2. Which part of the vision is most meaningful to the student and family, and why?

3. Does the family support project-based learning that connects academic work to real-world purpose?

4. Does the family support expectations related to intellect, integrity, innovation, compassion, leadership, and responsible participation?

5. How will the student and family contribute to a respectful Culture of Care?

6. Are there any questions or concerns about the Academy's mission, vision, Family Values, or Culture of Care?
