Purpose of the Agreement

This agreement confirms that the student and parent or guardian understand the mission, educational philosophy, expectations, and responsibilities associated with enrollment at Sawyer STREAM Academy. It is intended to establish a clear partnership between the Academy, the student, and the family before coursework begins.

Mission

At Sawyer STREAM Academy, our mission is to nurture intellect, integrity, and innovation through a project-based curriculum that connects academic learning to real-world purpose.

Vision

Empowering students to become creative thinkers, problem solvers, and compassionate leaders.

Family Values Acknowledgment

Sawyer STREAM Academy is family-values oriented and expects students, families, and staff to contribute to a learning environment grounded in respect, responsibility, integrity, compassion, perseverance, service, and constructive communication. These values are reflected in the Academy's academic expectations, student conduct standards, communication practices, and partnership with families.

By signing this agreement, the student and parent or guardian acknowledge that they understand these Family Values and agree to support them through respectful behavior, honest academic work, responsible participation, and constructive communication with teachers and school leadership.

Culture of Care Acknowledgment

The Culture of Care is Sawyer STREAM Academy's commitment to combining high expectations with empathy, mentorship, fairness, and support. Students are expected to be treated with dignity and to receive guidance that helps them grow academically and personally. In return, students and families are expected to communicate respectfully, respond to concerns promptly, and participate in solutions when academic, behavioral, or attendance difficulties arise.

The student and parent or guardian acknowledge that the Culture of Care does not remove accountability. Instead, it provides a respectful framework for feedback, intervention, restoration, and continued growth.

Student Responsibilities

- Participate regularly and make steady academic progress in each enrolled course.
- Complete assignments, assessments, projects, and other required work honestly and to the best of the student's ability.
- Communicate respectfully with teachers, staff, other students, and approved school partners.
- Use the Academy's learning systems and digital resources responsibly and protect account information.
- Ask for assistance when academic, technical, or personal challenges interfere with progress.
- Follow all applicable Academy policies, including academic integrity, acceptable technology use, attendance, assessment, and student conduct requirements.

Parent/Guardian Responsibilities

- Support the student in maintaining a consistent routine, appropriate study environment, and reliable access to required technology.
- Review school communications and respond when action, information, or participation is requested.
- Encourage the student to complete work independently and uphold academic integrity.
- Monitor progress and participate in meetings or interventions when concerns arise.
- Provide accurate contact, identity, and academic information during enrollment and update the Academy when important information changes.
- Support the Academy's mission, Family Values, Culture of Care, and reasonable academic and behavioral expectations.

Academy Responsibilities

Sawyer STREAM Academy agrees to provide access to the approved educational program, communicate academic expectations, maintain appropriate student records, provide reasonable academic guidance, monitor student progress, and communicate with the family when concerns require attention. The Academy will administer its policies fairly and will seek to support student success within the scope of its distance-learning model and available services.

Technology and Online Participation

The family is responsible for maintaining suitable internet access and an appropriate device for online learning. The student agrees to use Academy platforms, communication systems, and digital resources only for legitimate educational purposes and in accordance with the Technology Acceptable Use Policy and digital safety expectations.

Academic Integrity and Student Identity

The student agrees that all submitted work will be the student's own unless collaboration is specifically authorized. The student and family also agree to cooperate with reasonable procedures used to confirm student identity during assessments, course participation, and academic record verification.

Records, Communication, and Confidentiality

The student and parent or guardian authorize Sawyer STREAM Academy to create and maintain records necessary for enrollment, instruction, assessment, grading, progress monitoring, and academic reporting. The Academy will handle student information according to its privacy and records policies. Families are responsible for maintaining current contact information so that official communications can be received.

Enrollment Status and Continued Participation

Enrollment remains subject to completion of required documentation, payment arrangements when applicable, adherence to school policies, and continued participation in the educational program. When concerns arise, the Academy may require a student support meeting, improvement plan, additional documentation, or other reasonable action before enrollment continues.
